CHAPTER 6

MY FRIEND, MY ENEMY

WHAT HAS GONE BEFORE

The year is 2030. The world is rebuilding from World War III. In **Neo-Tokyo,** plans are being made to hold the next Olympics in the "old city"—where, thirty-eight years before, the first of the bombs fell.

Kaneda and his friends, teenage delinquents, make an unauthorized motorcycle run into the old city to check out the old site. They encounter a terrified child, known only as **Number 26,** possessing extraordinary telekinetic abilities. During the encounter, the paranormal boy gravely injures **Tetsuo,** one of Kaneda's close friends. Then, he vanishes.

The next night, at **Harukiya,** a tough local dive, **Kaneda** attempts, unsuccessfully, to pick up a newcomer, **Kay.** In fact, she and her companion, **Ryu,** are part of an underground resistance group dedicated to learning what is happening in the old city and putting a stop to it.

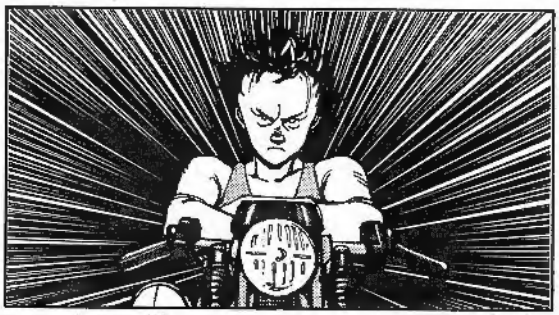
Trouble ensues, and both delinquents and resistance fighters again encounter **Number 26. Ryu** attempts to reassure the paranormal boy, but **Kaneda** is anxious to punish him for injuring **Tetsuo.** As they argue, mysterious soldiers pursuing **Number 26** reach the scene, armed and ready. A firefight results.

Then the ominous **Colonel** in charge of the covert operation appears with a secret weapon—**Number 27,** a crippled paranormal child named **Masaru. Masaru** astonishes the resistance fighters by addressing **Number 26** as **Takashi.** Kay and Ryu had previously assumed that **Number 26** was the Colonel's ultimate weapon—the as-yet unseen paranormal giant code-named **Akira.**

Kaneda provokes a crisis by pretending to threaten **Takashi,** who is exhibiting symptoms of drug withdrawal. **Takashi** responds with telekinetic upheavals. **Kaneda** is again separated from the resistance fighters, but he manages to intercept and hide a pill meant for **Takashi,** who is recaptured by the Colonel's men.

The next day, **Tetsuo**—who following his accident was taken

Kaneda **Tetsuo** **Kay** **Ryu**



to a hospital by soldiers—reappears in school, seemingly all right. However, during Tetsuo's treatment, the **Colonel** has learned that the delinquent has great psychic potential.

Kaneda has a girlfriend in the school infirmary analyze the drug intended for **Takashi.** It is similar in substance to pills **Kaneda** and his friends take, but unbelievably concentrated and powerful.

Eager for action, **Kaneda, Tetsuo** and their gang head out for a rumble with their chief rivals—the vicious **Clown** gang.

A member of the **Clowns** corners and begins to beat **Tetsuo. Kaneda** and the rest of his friends rescue **Tetsuo,** who astonishes them, first by displaying an uncharacteristic bloodthirstiness, and then by challenging Kaneda's authority.

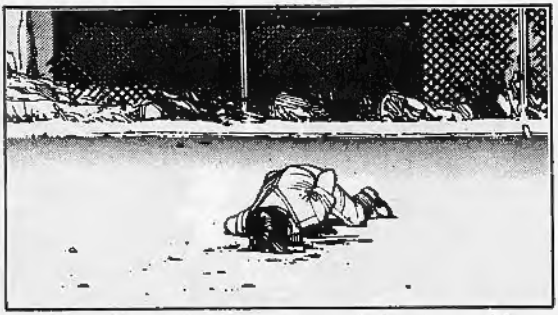
Determined not to let a new human weapon escape him, the **Colonel** goes to the school the next day to collect **Tetsuo.**

Under the treatments of the Colonel's chief medical officer, **Tetsuo** begins to exhibit powerful psychic abilities...and to undergo great pain.

Meanwhile, **Kaneda,** trying to spy on the Colonel and learn what is happening to **Tetsuo,** re-encounters the members of the resistance, and is brought back to their headquarters. Questioned by **Ryu,** he denies all knowledge of the stolen drug.

Kiyoko, another of the psychic children under the Colonel's control, announces to her master the disastrous news that **Akira**—who is asleep, and expected to remain so for some time—is going to awaken in the near future. Meanwhile, at the resistance hideout, **Kaneda** encounters a ghost-like

Takashi **The Colonel** **Masaru** **Yamagata**



apparition of himself, shouting Akira's name.

When soldiers enter the resistance hideout in force, **Kaneda** and **Kay** manage together to escape to **Harukiya,** where the bartender agrees to shelter them.

Overwhelmed by pain, **Tetsuo** breaks out of the Colonel's installation, leaving death in his wake. When he is cornered alone in the streeet by the **Clown** Gang, **Tetsuo** uses his burgeoning powers to slaughter those who oppose him. He takes control of the gang, letting them live in return for the massive amounts of drugs required to stave off his agony.

Kaneda, anxious to recover the motorcycle he left behind when he "joined" the resistance, eludes **Kay.** He is nearly caught by soldiers in the underground tunnels. **Kay** gets to the lost bike first, and when **Kaneda** joins her, they are able to escape back to the safety of **Harukiya.**

Later, **Ryu** orders **Kay** to stay close to **Kaneda** and keep undercover. But these plans are complicated by the arrival at the bar of **Yamagata** and Kaneda's other friends. **Kaneda** is amazed at their tales of Tetsuo's new powers and bloodthirstiness.

Meanwhile, **Ryu** meets with **Nezu,** a resistance leader, and they share new evidence on the scale of the **Akira** project.

A spy from the Colonel's organization learns of the **Harukiya** hideout, but he is caught and left for dead by a resistance fighter.

Ignoring their status as fugitives, **Kaneda** eludes **Kay** and he and **Yamagata** lead all of the local street gangs on a massive all-out attack to stop **Tetsuo** and the **Clowns.**

Pleased as we are with the results of presenting Mr Thomas's work in colour, we are also sensitive to the need to address the strength and beauty of Jordan's art in black and white and are happy to have this space where his material can be shown in a form closer to its original presentation. In the future, along with all the regular features in Arena, we hope to be able to present our readers with samples of Thomas's other comics and illustration
